

▶ SPECIALTY INVESTIGATIVE SERVICES FOR THE LOGISTICS INDUSTRY

You know the team coordination needed to move cargo securely. Travelers Inland Underwriting, Risk Control, Claims and the Specialty Investigative Group (SIG) are continually advancing the services we offer to the Logistics Industry. These are the experts you want on your team – we move in step with you to safeguard your cargo and keep your business moving.

We are on call 24/7. We know it is imperative to be there in the first critical hours after a loss.

Our SIG investigators are strategically located to offer the response time you need:

New York • New Jersey • Georgia • Texas • Midwest • California

WE CONSTANTLY STRIVE TO OFFER YOU ASSISTANCE THAT MAKES A DIFFERENCE. TRAVELERS SIG IS RENOWNED FOR RECOVERING STOLEN CARGO, WHETHER TAKEN FROM A TRANSPORT CARRIER OR FROM AN OWNER.

Speak with us about our Recovery success stories. One example occurred on a Saturday morning in February 2008. Our investigator received a heads-up from the NJ State Police Cargo Theft Unit that our insured's property might be involved in an operation. SIG responded. We helped recover the insureds' property, more than 120 Flat Screen TV's. We had it returned to the insured on Monday morning....before the insured knew they'd been stolen.

BEING IN-SYNCH WITH OUR CUSTOMERS MEANS WORKING WITH YOU ON A GAME PLAN THAT COULD HELP AVOID A LOSS. TRAVELERS SIG SERVICES ARE UNPARALLELED IN THE INDUSTRY.

- Anti-theft vendors keep us abreast of the latest technology available. We keep you up-to-date via our newsletters.
- Consultations enable us to review your security program. We offer input on practices and tools needed to protect your business and cargo.
- SIG sits on national and regional anti-theft groups and panels, including the National Insurance Crime Bureau. We speak to industry groups. The 2008 National Cargo Security Summit is an example.
- We undertake initiatives to benefit your industry. Ask us about our sting trailer and task force participation.
