

Travelers SelectOne® for Financial Institutions Cover all your property/casualty needs in one convenient policy

Whether you're a large financial institution or an investment adviser just setting out on your own, you can get the broad coverage you need with Travelers SelectOne for Financial Institutions. It protects you against a myriad of risks that could derail your operations.

Protect your business from costly exposures

Consider what can occur: a customer slips and falls entering the building – and subsequently sues. An employee is injured on the job and out of work for months. A fire breaks out and destroys critical equipment and records. You'll want to be sure that you have the right insurance to deal with any unforeseen event.

Customized solutions designed to fit your needs

Travelers SelectOne for Financial Institutions offers a full range of coverages from core property casualty to specialized coverages specific to financial institutions – such as coverage to address your foreclosed properties, trust properties and ATMs. We can help you design an insurance program customized to your company's unique needs.

In addition to your building and business property, Travelers SelectOne offers protection for business income and extra expense, computers, valuable papers and records, fine arts, mortgage holders errors and omissions, mail and equipment breakdown. Coverages include:

- General liability – Provides protection for bodily injury, property damage, personal injury, advertising injury and medical expenses
- Auto – Covers your business's vehicles and can be endorsed to include repossessed autos
- Workers compensation – Covers employee injuries occurring while at work and employers' liability
- Umbrella/excess liability – Offers higher limits over the standard protection for our general liability, auto and employer liability coverages
- Foreclosed properties, trust properties, ATMs
