

## TRAVELERS ASI Essentials

Travelers ASI Essentials, provided by ASI Global, is a database of two-page briefings on cities that make up the top travel destinations around the world. These travel briefings include all the pertinent information of each location in a short and concise format that is written specifically with the traveler in mind. The content is presented in such a way as not to burden the recipient with too much information. The briefings include the following information:

- Destination Threat Rating
- Country Overview
- City Overview
- Security situation
- Assessment of local police
- Airport information
- Hotel information
- Fire safety
- Communications
- Cultural tips
- Serving airlines
- Health issues
- Emergency contact information

In the event that a broker's client requires a more comprehensive intelligence briefing pertaining to a potential destination prior to travel, the broker or client should contact ASI Global's 24/7 Operations Center directly using the following contact telephone numbers:

- United Kingdom +44(0)207-240-3237
- USA & Canada USA 713-918-6401.

Alternatively, clients should email [consulting@asiglobalresponse.com](mailto:consulting@asiglobalresponse.com). Access to Travelers ASI Essentials requires a Username and Password which can be requested by contacting the broker's respective Travelers point of contact.
