

## Medicare Mandatory Insurer Reporting Advisory #2

RRE Registration is now open via the [COB Secure Web Site!](#)

To Our Valued Direct Assignment Partners:

As previously communicated in our Talking Points, the COB Secure Web site is now open for RRE Registrations from May 1 – [September 30, 2009](#). In our Direct Assignment program, you are the Responsible Reporting Entity (RRE). We have developed an instructional guide for you to:

- Preview the input screens,
- Familiarize yourself with the data needed for input,
- Gather the required data, and then
- Complete the RRE registration process.

Please refer to the attachment, **Part 1 – RRE Registration Guide**. If you will be designating Travelers Indemnity Company as your Reporting Agent, please pay extra attention to the following steps in the registration guide.

8. Review your information. If accurate, [print this REGISTRATION SUMMARY page](#), and Continue.
9. You are now registered! You now have your RRE ID. [Print this CONFIRMATION page](#).
11. If Travelers Indemnity Company will be your designated Reporting Agent, [please immediately fax your printed REGISTRATION SUMMARY and CONFIRMATION pages to Julie Morgan at 1-800-470-3986](#).

(We will need these two pages to start creating your Data Set Names so you can complete Part 2 – Account Setup.)

Within 10 business days, you will be receiving your PIN from the COB. Upon receipt, you will need to complete your Account Setup. Please refer to the attachment, **Part 2- Account Setup Guide**. We have provided all the information you will need from us in order to designate us as your Reporting Agent.
