

**HI-TECH COMPANIES ARE ON THE CUTTING EDGE:  
SO ARE WE**

Travelers Technology unit is dedicated to progressive, Canadian-based high-tech companies. Our team has the expertise to offer solutions and services in a fast-growing and ever-changing environment. The policyholder benefits from precise products and services, which address their insurance and risk management needs.

## *Travelers. On the cutting edge*

**THE BEST OF BOTH WORLDS**

When a high-tech company chooses Travelers in Canada as its insurance partner, it taps into our capacity for the most sophisticated of risks and has the security that we are financially solid and able to respond to claims.

The policyholder receives personalized service from a Canadian-based operation of Travelers, a Fortune 100 company with consistently high marks from the insurance industry's major rating services.

**WE BUILD LONG-TERM PARTNERSHIPS**

Travelers Technology team is aware of the special requirements of this fast-paced industry. Our mandate is

“clients come first”. As one of the first companies to take on risks associated with technology specialists, we have been underwriting high-tech accounts since the 1960s. We build long-term relationships with insurance brokers and policyholders.

**WE'RE THERE – WHEREVER THE POLICYHOLDER'S  
BUSINESS TAKES THEM**

We recognize that working internationally is becoming more the rule than the exception. Thus, Travelers and our partnered companies can offer policies and co-ordinated

claim service to manage risks in more than 60 countries and when the policyholder's business takes them into the United States, Travelers is already there to help.
