

PRODUCER COMPENSATION DISCLOSURE

Other Personal Lines Products

The information set forth below applies to Personal Lines products other than Homeowners and Auto, which may include the following products: Personal Articles Floaters, Personal Liability Umbrella, Dwelling Fire, Boat and Yacht, and Flood, and reflects compensation paid on eligible policies written during the most recent contract period. It may not reflect historic compensation rates on all in-force policies.

Compensation paid on any particular policy of insurance is based on a variety of factors. As a result, producers who have agreements under which they can earn particular types of compensation do not always earn compensation under those agreements. Furthermore, we sometimes pay compensation outside of the ranges specified below.

Nonetheless, where we report a range of low to high compensation, that information reflects what we paid to at least ninety percent of the producers who earned compensation of that type. Averages, on the other hand, reflect amounts paid to one-hundred percent of producers who earned that type of compensation.

Base Commissions

Last year, base commissions on new Personal Lines products other than Homeowners and Auto policies ranged from a low of 9% to a high of 20% of the premiums on eligible policies and averaged 14%. On renewal business, base commissions ranged from 10% to 20% and averaged 14.2%.

Contingent Commissions

We do not pay contingent compensation on the products listed above.

Fixed, Value-Based Compensation

In addition to the base commissions reflected above, a producer may also receive fixed, value-based compensation on certain eligible Other Personal Lines policies. Last year, on new business, these payments ranged from a low of 0.1% to a high of 5.8% of the premiums on eligible policies and averaged 2.5%. On renewal business, these payments ranged from 0.1% to 4.4% and averaged 2.2%.

Business Production Incentives

At times we will provide producers or their employees the opportunity to receive additional compensation for placing specific types of policies with us, helping us pursue new business opportunities with their customers, or performing other tasks. The form of compensation might be additional commission, a specific dollar amount or merchandise. Last year, these payments ranged from a low of 3% to a high of 10% of the premiums on eligible policies and averaged 6.5% on new business only.

Promotional Expense Reimbursements

We may also reimburse certain producers' expenses relating to marketing activities. Reimbursable expenses may include advertising costs, travel to and attendance at Travelers-sponsored conferences or events, training expenses, or the costs of other goods and services that help to promote our company and our products.

Your insurance broker or independent insurance agent can provide additional information about specific compensation received in connection with your policy.
