

## IMPORTANT INSURANCE DISCLOSURES FROM TRAVELERS

As part of our underwriting process, in most states we order an insurance score based upon your credit history that may be used to underwrite and price your policy. Consumer reports that contain information about your driving and claim history are also obtained.

You have the right to be told the name and address of the reporting agencies that provide these reports and to see and correct your personal information. If we receive corrected personal information from a consumer reporting agency, we will re-evaluate you. We may disclose this information to properly service your policy or to conduct our business. Our privacy notice will be included with your policy and is available upon request.

Your final premium is subject to change based on verification of driving record, claim history and/or other consumer reports.

Insurance is underwritten by The Travelers Indemnity Company or one of its property casualty affiliates, One Tower Square, Hartford, CT 06183.
