

Travelers can help you evaluate and write property-oriented Program business by providing:

- Single point of negotiation
- Innovative program design
- Simplified pricing matrix
- Streamlined administrative procedures
- Insurance-to-value assistance
- Electronic Policy View (available)

SPECIALIZED PROPERTY PROGRAMS

Travelers is an industry leader in writing specialty market First Party Programs. Each program is controlled by a single producer, insuring a group of unrelated insureds in the same class of business. The producer, in some cases, is given underwriting and pricing authority and may even issue policies.

Travelers is committed to making it easy for you to place business with us. Our property-oriented Programs bring together the software, hardware and training necessary to:

- Generate quotes
- Send billing statements
- Administer policies
- Analyze exposure information
- Much more

Our loss reporting system can be installed in your office to help you manage the Program proficiently. Examples of Travelers' specialized property-oriented Programs include, but are not limited to:

- Airplane Hangars
- Auto Dealerships
- Coin Dealers
- Financial Services
- Housing Authorities
- Mortgage Impairment
- Non-Profit Organizations
- Nursing Homes and Extended Care Facilities
- Religions Organizations
- Relocation Companies
- Schools and Municipalities
- Self-Storage Facilities

SUPERIOR TECHNICAL SERVICES

Complementing Travelers expansive commercial property Programs are our expert risk control and claim services.

Risk Control

Travelers fire protection specialists are highly skilled engineering professionals experienced in fire safety consulting and HPR risk evaluation. They will work with you to identify and evaluate fire hazards and help develop a risk control program that meets your client's needs.

Claims

Our nationwide claims service delivers fast responses and fair settlements.

When a loss occurs, we are available to help with a toll-free hotline for claim reporting, 24 hours a day, seven days a week. Key services include:

- National network of property adjusters
- Dedicated large loss property team
- Nationally recognized catastrophe response unit
- Arson/fraud specialists
