Commercial General Liability Protection

OIL & GAS

EnergyPro® protection for oil and gas industry customers with Commercial General Liability insurance needs.

Running an oil and gas business is no simple task. Troubleshooting problems that could affect your operations should be much more of a concern to you than worrying about whether you're protected when something goes wrong. That's why we developed a portfolio of products tailored to meet your specialized needs.

Travelers EnergyPro® Commercial General Liability coverage is designed to address the unique general liability exposures that confront businesses operating in the oil and gas industry today. Our unique, integrated coverage approach combines pollution coverage with Commercial General Liability coverage in the same policy form to provide virtually seamless protection for many types of losses.

Travelers EnergyPro® Commercial General Liability coverage has the features you'd expect from the insurance leader in the oil and gas industry, providing coverage for:

- Bodily injury and property damage liability
- Personal injury liability
- Advertising injury liability
- Medical expenses

Additional coverage features:

- Occurrence-based coverage, including for pollution claims or suits
- Pollution clean-up costs coverage for first-party costs you voluntarily incur for above-ground and below-ground sudden and accidental pollution incidents resulting from your oil or gas operations, including operations at your premises, equipment yards, and work sites, as well as coverage for third-party claims or suits
- Pollution bodily injury and property damage coverage for above-ground and below-ground sudden and accidental pollution incidents at your premises, equipment yards, or work sites
- Includes a full 30-day knowledge period and 90-day reporting period for coverage for sudden and accidental pollution incidents
- Contractual liability coverage, for pollution bodily injury and property damage and other claims, with provisions for third-party action-over and pass-through indemnity claims, and for certain joint operating agreement expenses assumed by nonoperators

Also available:

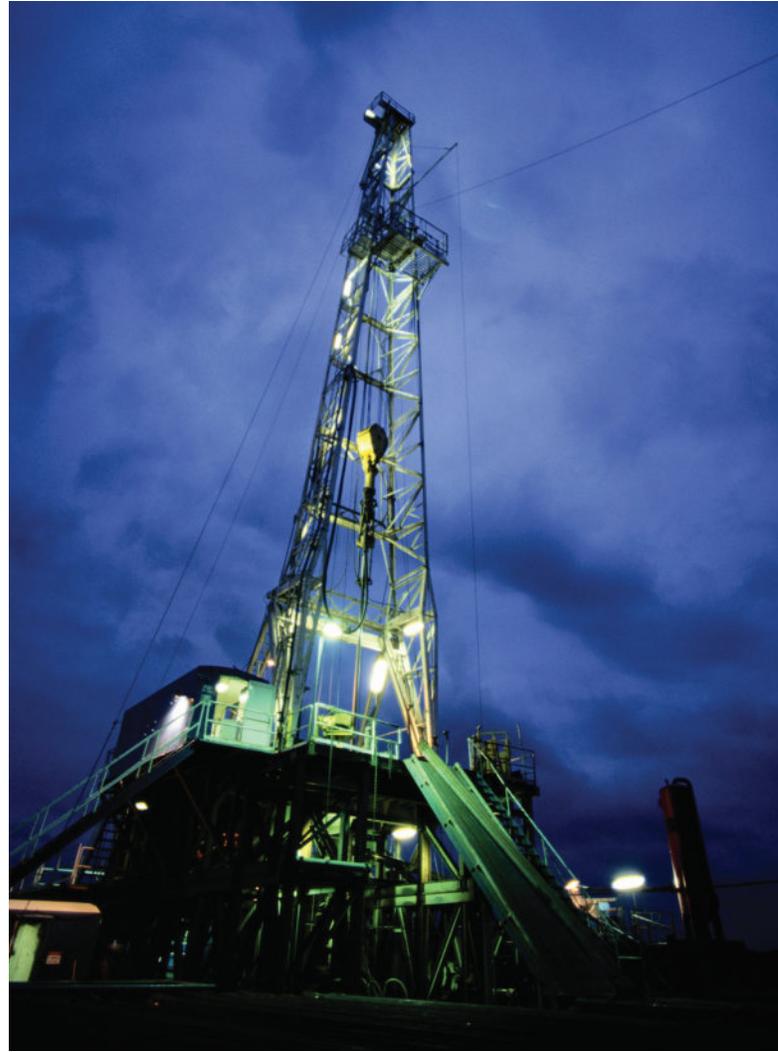

- Unique blanket additional insured endorsements that can save you time, money, and aggravation by eliminating the need for most special requests to add contract drillers (as required under IADC contracts) or non-operating working interests as additional insureds

There's more to insurance than your policy contract

Travelers offers specialized services to help you prevent serious loss:

We were first to develop a team of risk control professionals dedicated exclusively to the oil and gas industry, and that team has become one of the most respected in the country. We bring many years of hands-on experience to your company, as well as a wealth of knowledge on the latest risk control solutions.

Specialized claims teams are available 24/7 to help you keep operating in the event of a loss. You can be assured that when you need us, we're here to help.
