

Inland marine and crime protection

OIL & GAS

Running an oil and gas business is no simple task. Troubleshooting problems that could affect your operations should be much more of a concern to you than worrying about whether you're protected when something goes wrong. That's why we developed a portfolio of products tailored to meet your insurance needs.

Inland marine protection

Travelers is a leading provider of business insurance products and solutions for operations involved with fixed and mobile property of all types, including domestic cargo for all modes and forms of transportation:

- Transportation
- Computer systems
- Accounts receivable
- Valuable papers and records
- Miscellaneous property

We have the experience to tailor the coverages we offer to provide the flexibility needed to meet the changing needs of the oil and gas industry.

Crime protection

Workplace crime is on the rise. Travelers provides a wide range of coverages to help protect your business against financial loss due to certain crimes, including:

- Employee theft
- Loss of money and securities by burglary or robbery

- Forgery or alteration
- Funds transfer fraud
- Computer fraud
- Money orders and counterfeit paper currency

There's more to insurance than your policy contract

Travelers offers specialized services to help you prevent serious loss:

Travelers Oil & Gas was the first in the market to develop a team of risk control specialists dedicated exclusively to the oil and gas industry.

Our risk control consultants will help address issues for protecting your property. Our services include training programs, program guides and a variety of other resources to meet your needs.

Our claim specialists understand the oil and gas industry and know the types of losses that can occur with auto exposures. These specialized teams are available 24/7 to help you keep operating in the event of a loss. You can be assured that when you need us, we're here to help.
