EMPLOYEE COMMUNITY INVOLVEMENT

Travelers Community Connections Grants \$846,650

Travelers provides support for communities based on our employees' involvement in their cities and towns. Travelers Community Connections (TCC) Grants are available to nonprofits partnering with teams of Travelers volunteers from offices throughout the U.S. (except Conn. and Minn.). In 2017, 33 organizations in 18 states received TCC grants.

Travelers Community Connections Matching Gifts & Volunteer Match Programs \$2,617,631

In addition, funding for local organizations is provided through the Travelers Community Connections (TCC) Matching Gifts and Volunteer Match programs. The program provides employees the opportunity to apply for matches to eligible nonprofit organizations for employee donations of money and volunteer time. Through the TCC Matching Gifts program the company matches up to \$500 of employee charitable contributions including pledges during the Employee Giving Campaign. Through the TCC Volunteer Match program an employee may apply for a \$500 grant to an eligible nonprofit organization when he or she volunteers 24 hours in a calendar year with that organization. A second \$500 grant is available for an additional 24 hours logged to either the same organization or a new one for a total of \$1,000. In 2017, more than 5,254 organizations in 48 states and the District of Columbia and Puerto Rico benefited from Travelers matching gifts.

Travelers Employee Giving Campaign: Employee Pledges & Fundraising Events \$2,670,298

Travelers employees are also encouraged to support their local communities through our annual Employee Giving Campaign. In 2017, Travelers employees throughout the U.S. contributed to more than 4,286 organizations in 48 states and the District of Columbia and Puerto Rico. Employees participated through online pledging and fundraising events in their local offices.
