WHERE DO I START?

Car insurance is required in New Jersey. Whether you are buying a new insurance policy or renewing your current policy, you must make many decisions about what coverage you need and how much you can pay. The following guide outlines how to make choices that work for you.

UNDERSTAND YOUR NEEDS. Do you rent or own your home? Do you have assets to protect (including income from your job)? Will your own health insurance cover auto accident injuries? How much insurance coverage can you afford? These are some of the questions you should ask yourself before choosing a specific coverage plan.

UNDERSTAND YOUR OPTIONS. Use this guide to learn about the words and phrases used in auto policies. Know the many coverage options. Review the different benefits of each option.

UNDERSTAND CONSUMER PROTECTIONS. As a New Jersey auto insurance consumer, you have rights. You have a right to fair and equal treatment, and you have the right to get the information you need to make informed decisions.

- Agents, brokers and companies must inform you of your coverage options when applying for a new policy, or at any time upon your request if you are already insured. You have the right to know how each choice may affect what you pay and what your benefits would be in the event of an accident. You always have the right to ask about additional options.
- You can shop for auto insurance at any time – not just when your policy is up for renewal, and if you find a better price, you can cancel your old policy and seek a refund of your unused premium.
- You have the right to change your coverages and policy limits at any time, even if you are not near your renewal date. If you select options that save you money, you have a right to a refund of your unused premium within 60 days.

UNDERSTANDING YOUR POLICY

Types of Coverages

Insurance policies use terms that may be unfamiliar to the average driver. It is useful to understand what these terms mean so you can make better, more informed decisions about your coverage.

COVERAGES – Your auto insurance policy is divided into different coverages based on the type of claim that will be paid to you or others.

These **COVERAGES** are:

PERSONAL INJURY PROTECTION – Otherwise known as “**PIP**,” this is your medical coverage for injuries you (and others) suffer in an auto accident. PIP pays if you or other persons covered under your policy are injured in an auto accident. It is sometimes called “no-fault” coverage because it pays your own medical expenses *no matter who caused the auto accident*. PIP has two parts – (1) coverage for the cost of treatment you receive from the hospitals, doctors and other medical providers and any medical equipment that may be needed to treat your injuries and (2) reimbursement for certain other expenses you may have because you are hurt, such as lost wages and the need to hire someone to take care of your home or family.

LIABILITY – This coverage pays others for damages from an auto accident that *you cause*. It also pays for a lawyer to defend you if you are sued for damages that *you cause*.

There are two kinds of liability coverage: **BODILY INJURY** and **PROPERTY DAMAGE**.

BODILY INJURY LIABILITY COVERAGE - Pays for claims and lawsuits by people who are injured or die as a result of an accident *you cause*. (**See page 7 for lawsuit options**). It compensates others for pain, suffering and economic damages, such as lost wages.

*This coverage is typically given as two separate dollar amounts: (1) an amount paid per individual and (2) an amount paid for total injuries to all people injured in any one accident that you cause. It can sometimes be purchased as a **combined single limit**, which offers a maximum limit of protection per accident of **bodily injury** and **property damage liability** combined.*

PROPERTY DAMAGE LIABILITY COVERAGE – Pays for claims and lawsuits by people whose property is damaged as a result of an auto accident *you cause*. (*May also be purchased as a **combined single limit with bodily injury liability coverage**.*)

UNINSURED MOTORIST COVERAGE – Pays you for property damage or bodily injury if you are in an auto accident caused by an *uninsured motorist*.

UNDERINSURED MOTORIST COVERAGE – Pays you for property damage or bodily injury if you are in an auto accident *caused by a driver who is insured, but who has less coverage than your underinsured motorist coverage*.

EXAMPLE OF UNDERINSURED MOTORIST COVERAGE

Jane purchases \$100,000 in liability coverage and \$100,000 in underinsured motorist coverage. Sam purchases only \$15,000 in liability coverage. Sam crashes his car into Jane’s car, causing \$25,000 in damages. Sam’s insurance company pays \$15,000 of the damages, while Jane’s insurance company pays the remaining \$10,000 from her underinsured motorist coverage.

COLLISION COVERAGE – Pays for damages to your vehicle as the result of a collision with another car or other object.

COMPREHENSIVE COVERAGE – Pays for damage to your vehicle that is not a result of a collision, such as theft of your car, vandalism, flooding, fire, or a broken windshield. However, it will pay if you collide with an animal.

UNDERSTANDING YOUR POLICY *Standard and Basic Policies*

There are two common types of auto insurance policies in New Jersey. They are referred to as **STANDARD** and **BASIC**. Both offer options as well.

STANDARD POLICY – The Standard Policy provides a number of different coverage options and the opportunity to buy additional protection. The Standard Policy is the type of policy chosen by most New Jersey drivers.

BASIC POLICY – The Basic Policy usually costs significantly less than a Standard Policy, but provides limited benefits. It is not for everyone, but it does provide enough coverage to meet the minimum insurance requirements of New Jersey law. The Basic Policy could be an option for those with few family responsibilities and few assets to protect (including income from a job).

SPECIAL POLICY FOR MEDICAID RECIPIENTS ONLY

The Special policy is a new initiative to help make limited auto insurance coverage available to drivers who are eligible for Federal Medicaid with hospitalization. Such drivers can obtain a medical coverage-only policy at a cost of \$365 a year. For more information, ask your agent or company representative or call the Department of Banking and Insurance at 1-800-446-7467.

The chart **below** compares the differences between the **STANDARD** and **BASIC** policies:

UNDERSTANDING YOUR OPTIONS

Uninsured/underinsured Motorist Coverage

UNINSURED MOTORIST COVERAGE – Pays you if you are in an auto accident caused by a driver who does not have the minimum level of insurance required by the law. Claims that you would have made against the uninsured driver who caused the accident are paid by your own policy. *Uninsured motorist coverage does not pay benefits to the uninsured driver.*

UNDERINSURED MOTORIST COVERAGE – Pays you if you are in an auto accident caused by a driver who is insured, but who has less coverage than your underinsured motorist coverage. Damages greater than the limits of the other driver's policy are covered by your policy up to the difference between the limits of your underinsured motorist coverage and the other driver's policy limit.

If you choose the STANDARD POLICY:

A minimum amount of the **Uninsured/Underinsured Motorist Coverage** is required. You can purchase higher limits if you want more coverage.

UNDERSTANDING YOUR OPTIONS

Comprehensive Coverage/Collision Coverage

COMPREHENSIVE (also known as **comp** or **other than collision**) and **COLLISION** coverage are not required by law, but may be required under the terms of an automobile leasing or financing contract.

Collision coverage pays you for damage that *you cause* to your automobile. You can also make a claim under your own collision coverage for damage to your car from an auto accident *you did not cause*. This may take less time than making a property damage liability claim against the driver who caused the auto accident. Your insurer then seeks reimbursement (subrogation) from the insurer of the driver who caused the auto accident.

Comprehensive coverage pays you if your automobile is stolen or for damage to your automobile caused by things not covered under collision coverage, such as vandalism, flooding, fire, a broken windshield or damage from an animal.

DEDUCTIBLE – The **STANDARD** deductible for comprehensive and collision coverage is \$750. Higher and lower deductibles are available as options. Higher deductibles can reduce your premium.

NAMED DRIVER EXCLUSION – Prevents certain drivers on your policy from being covered by collision and/or comprehensive coverage on a specific automobile. This can lower your premium, but if the excluded driver operates the automobile and is involved in an auto accident, you are not insured for collision and/or comprehensive coverage; which means you could be personally responsible.

If you choose the STANDARD POLICY:

Comprehensive and Collision Coverage are always available as **options** of the **STANDARD POLICY**.

If you choose the BASIC POLICY:

*Insurers are not required to provide these options in the **BASIC POLICY**.*
