Business auto protection

Protection for oil and gas industry customers with business auto insurance needs.

The auto coverage features you’d expect:
- Liability protection
- Physical damage protection
- Vehicles of all sizes and types
- Fleet coverage
- Multi-state exposure on one policy
- Countrywide availability
- Notice and knowledge of occurrence
- Unintentional errors or omissions

Available coverage options:
- Blanket waiver of subrogation
- Composite rating
- Employees as insureds

There’s more to insurance than your policy contract
Travelers offers specialized services to help you prevent serious loss:
Travelers Oil & Gas was the first in the market to develop a team of risk control and claim specialists dedicated exclusively to the oil and gas industry.

Our risk control consultants will help address issues such as:
- Driver selection and screening
- Vehicle and cargo security
- Cell phone safety while driving a vehicle

Our services include training programs, program guides and a variety of other resources to meet your needs.

Our claim specialists understand the oil and gas industry and know the types of losses that can occur with auto exposures. These specialized teams are available 24/7 to help you keep operating in the event of a loss. You can be assured that when you need us, we’re here to help.
