Layers of protection for the unexpected

Travelers Excess Casualty provides insurance protection needed for the big, unexpected events that can have potentially catastrophic results for your business – from auto accidents to products liability claims. Our expertise is rooted in a foundation of deep industry knowledge and a commitment to delivering customized insurance solutions based on the risks and challenges your business faces every day.

Consider these scenarios:

- A product that your company manufactures is called into question for potentially malfunctioning and injuring the user.
- A visitor to your property is assaulted and robbed, and suffers severe injuries.
- While working abroad, an employee gets in an accident in a rented vehicle, injuring another driver and damaging both vehicles.

Depending on the outcomes, your business could be liable for damages. **Learn more about Travelers Excess Casualty coverage and services below.**

**COVERAGE CAPABILITIES**

*The right level of protection for your risks.*

- Lead umbrella and excess liability.
- Crisis management coverage included in the policy at no additional cost – helps to mitigate negative publicity generated by unexpected crisis events.
- Global coverage – protecting your business and employees wherever in the world you operate.

**INDUSTRY AND UNDERWRITING EXPERTISE**

*We get to know what matters most to you and your business.*

- Team of underwriters with knowledge of industry exposures, the local marketplace and trends.
- Umbrella and excess coverage for businesses of all sizes.
- Target industries include manufacturing, construction, retail, services, wholesale trade/distributors, finance, insurance and real estate.
CLAIM SERVICES
*There for you when you need us most.*

- Claim professionals dedicated exclusively to managing catastrophic umbrella/excess claims.
- Claim professionals work closely with our engineers and forensic scientists at the Travelers nationally accredited forensics lab to help evaluate causation of loss and damages.

RISK CONTROL SERVICES
*Helping our customers manage risk and prevent losses.*

- Risk Control Customer Portal – An extensive library of safety tools and resources designed to help customers with risk management strategies.
  - Strengthen risk management programs through self-assessments.
  - Create customized checklists and inspections to monitor business exposures.
  - Utilize training materials including in-class and online courses.
  - Access risk management and safety articles written by Travelers subject matter experts on topics such as driver and fleet safety and premises liability.

- Travelers Safety Academy
  - Classroom workshops taught by Travelers instructors held across the country to help reduce safety risks and control related costs.
  - Taught by experienced instructors with hands-on industry knowledge.

BACKED BY THE FINANCIAL STRENGTH AND STABILITY OF TRAVELERS.

Our product offerings are built on a foundation of more than 160 years of experience. We're a financially stable insurer with an A++ rating from A.M. Best,* which means you can count on Travelers to be there when you need us.

* A.M. Best's rating of A++ applies to certain insurance subsidiaries of Travelers that are members of the Travelers Insurance Companies pool; other subsidiaries are included in another rating pool or are separately rated. For a listing of companies rated by A.M. Best and other rating services, visit travelers.com. Ratings listed herein are as of October 5, 2017, are used with permission, and are subject to changes by the rating services. For the latest rating, access ambest.com.
