

Our skillfully trained investigators actively pursue avenues of recovery 24 hours a day, 365 days a year for all cargo and other specialty losses your business may incur.

Our team will work tirelessly to ensure your business receives specialized investigative services for claims involving:

- Cargo theft
- Jewelers block
- Art and antiques
- Heavy equipment
- Boat and yacht

Our knowledge of cargo security protocols helps clients meet specific security requirements on existing and future contracts.

We conduct theft vulnerability analyses to help reduce cargo theft losses dramatically. In 2013, we provided over 300 accounts with theft prevention insights, in turn, allowing them to preserve key business relationships.

We conducted over 2,200 successful investigations, with recovery amounts exceeding \$9 million for the year ending in 2013.

Our close relationship with regional Travelers Investigative Services personnel, claim professionals and clients like you, helps us sustain successful outcomes when it comes to investigating theft and recovering cargo and other stolen property.

Proactive Services

Our investigative staff stay ahead of current theft trends and techniques to equip you with the tools you need to protect your business before any losses occur.

Stolen Cargo Recovery

Travelers tracked a stolen unit down to one of 40 rest stops located in a 10-mile radius. Our tracking ability and knowledge of cargo theft patterns in the area helped local law enforcement bring about an arrest. The cargo was recovered and on its way to aid victims of a hurricane later that evening.

Travelers Special Investigations Group is expert at cargo and other specialty losses.
