<p>Temporary Total Benefits</p>	<p>Temporary Total Disability (TTD) [85.32, 85.33(1)]</p> <p>When an injury results in more than three calendar days of disability, the employee may be entitled to TTD benefits beginning on the fourth day and continuing until the employee has returned to work or is medically capable of returning to substantially similar employment, whichever occurs first. The three-day waiting period becomes payable if the disability period exceeds fourteen calendar days.</p> <p>Total weekly compensation for any employee is not to exceed 80% of the employee's weekly spendable earnings. The law defines "spendable earnings" as that amount remaining after payroll taxes are deducted from gross weekly earnings.</p> <p>The weekly amount of the disability benefit is determined by the employee's average gross weekly earnings, the number of exemptions, and the marital status.</p> <p>The minimum weekly benefit amount for TTD or HP is equal to either the weekly benefit amount of a person whose gross weekly earnings are thirty-five percent (35%) of the statewide average weekly wage OR the spendable weekly earnings of the employee, WHICHEVER IS LESS. The minimum weekly benefit amount for PPD, PTD or death benefits is equal to the weekly benefit amount of a person whose gross weekly earnings are thirty-five percent (35%) of the statewide average weekly wage.</p> <p>State Average Weekly Wage is \$813.99 effective July 1, 2015 to June 30, 2016. 35% of the Statewide Average Weekly Wage is \$285.00 effective July 1, 2015 to June 30, 2016.</p> <p>The maximum weekly disability benefit rate for TTD is \$1628. This rate is effective July 1, 2015 to June 30, 2016. This rate is adjusted annually.</p>
<p>Temporary Partial Benefits</p>	<p>Temporary Partial Disability (TPD) [85.32(2-5)]</p> <p>TPD benefits may be payable if the employee returns to work at a lesser paying job, because of the injury. The TPD benefit amount is to be 66 2/3 percent of the difference between the employee's average gross weekly earnings at the time of the injury and the employee's actual earnings while temporarily working at the lesser paying job. The three-day waiting period (explained above) also applies to TPD.</p>
