Claim scenarios

Pollution, fungi, bacteria

You were the seller's agent. Prior to the sale of the property, you received a call from a neighbor complaining that a waste dump on the subject property was damaging their property. Although you provided this information to the buyer's agent, the buyer alleges they never received this information prior to closing. The buyer brings a claim against you for failing to advise them of the waste dump. With a Travelers policy, coverage is included for failing to advise of the existence of pollutants, fungi, or bacteria in your capacity as a real estate agent or broker.

Bodily injury and property damage coverage

While holding an open house, a guest trips and falls, sustaining a back injury. As the injury results in surgery and the guest cannot return to work, he brings a claim against both the homeowner and you, alleging improper lighting and failure to warn. With a Travelers policy, liability coverage is included for any negligence of the insured, the broker, and/or your agent, up to the full limits of the policy, less any deductible, in your capacity as a real estate agent or broker.
