

Property/Casualty coverage for Financial Institutions

COVERAGE HIGHLIGHTS

Protect your business from costly exposures.

Why you and your organization need protection

Consider what can occur: An employee is injured on the job and out of work for months. A fire breaks out and destroys critical computer equipment and customer records. You'll want to be sure that you have the right insurance to deal with any unforeseen event.

Travelers offers a full range of Property & Casualty coverages for Financial Institutions. From core property/casualty to specialized coverages specific to financial institutions, we can help you design an insurance program to fit your company's unique needs.

Coverage highlights

- **Property** – Coverage for your building, business personal property and computers
- **General liability** – Provides protection for bodily injury, property damage, personal injury, advertising injury and medical expenses
- **Auto** – Covers your business's vehicles and can be endorsed to include repossessed autos
- **Workers compensation** – Covers employee injuries occurring while at work and employers' liability
- **Umbrella/excess liability** – Offers higher limits over the standard protection for our general liability, auto and employer liability coverages
- **Specialized coverages** to ensure a premier level of protection including Property/Casualty insurance to cover: business income and extra expense, ATM's, foreclosed properties,
