

Risk Management Plus+ Online[®]

Risk Management Plus+ Online is your one-stop resource available at no additional cost to you, providing comprehensive tools that will help protect your organization from costly litigation. From ethics training guidelines to coverage-specific white papers and articles, all of our materials are delivered via a dynamic web-based platform so you can be assured of up-to-date information.

Solution highlights by coverage

Employment practices liability

- EPL Help Line: Access to an attorney at the Jackson Lewis law firm who specializes in employment law.* The Jackson Lewis firm has experience in workplace-related issues and operates over 20 offices with 300 attorneys located throughout the country.
- Employment practices checklist: Evaluate your current approach to employment issues.
- Interactive sexual harassment prevention training: Tools to train all of your employees and set up affirmative defenses to sexual harassment claims outlined by the U.S. Supreme Court.
- Web-based training: Training tools for a variety of employment issues, including discrimination, Americans with Disabilities Act (ADA), retaliation, wrongful termination and ethical behavior in the workplace.
- Training bulletins: Bulletins written by employment experts and covering real-life scenarios. This information can be delivered directly to your human resources personnel and any other managers that you designate.

Fiduciary liability

- ERISA Help Line: Access to experts in real-time via a toll-free hotline staffed by attorneys from a premier law firm with a national ERISA practice. As a Travelers Bond & Financial Products fiduciary liability insured, you will receive up to one hour of consultation with an ERISA attorney at no charge.**
- Articles and white papers: Current information on perennial and emerging benefit plan issues confronting your company, such as who is a fiduciary, contingent worker exposures and HIPAA compliance.
- Reference materials covering ERISA and related laws: Training and strategies to help reduce your exposure to potential claims.

Directors and officers liability

- Articles and whitepapers: Current information on pertinent risk management issues that can help protect your company and its board of directors.
- D&O library: Relevant articles on risk management issues such as: *Primer for New Board Members*, *Sarbanes Oxley for Private Companies* and *How to Govern the Family Business*.

Crime insurance

- Extensive risk management guide: Guidelines to help your company address the risks associated with employee dishonesty and take steps to quickly identify theft or prevent it altogether.

Kidnap and ransom insurance

- Quarterly risk management kidnap and ransom newsletter: Acts of kidnapping and extortion that have recently occurred around the globe.
- ASI Global professional crisis response firm: In addition to prevention and pre-incident services, ASI Global provides dedicated, local crisis management for Travelers' clients and families worldwide.
- Online Travel Briefings: ASI Global's international travel guidelines and safety information.
- Threat Map: ASI Global's up-to-the-minute information on the kidnapping threat level of each country.

Identity fraud expense reimbursement insurance

- Articles and white papers: Information and advice to help you, and your employees, protect your identity from potential theft.
- Comprehensive identity fraud resolution kit: Travelers offers the tools, expertise and help you and your employees need to resolve an identity theft issue as quickly as possible.
