- **Fiduciary Liability** – Coverage protects the trustees and individuals who administer the employee benefit plans subject to personal liability under ERISA.
- **Crime** – Available for accounts that do not require the specialized coverage offered under the financial institution bond form.
- **Identity Fraud Expense** – This coverage is written on a group basis for either the employees or the customers of a health plan, indemnifying individuals for the expenses associated with restoring their credit.
- **Kidnap and Ransom** – Covers expenses associated with a kidnap, extortion, or detention event including the expenses of the crisis response firm utilized by Travelers.
