Construction Surety

TRAVELERS BOND & SPECIALTY INSURANCE

Capacity and financial strength
You can meet clients’ surety needs quickly with Travelers, no matter if it’s for a small construction job around the corner or an immense undertaking that spans years. In fact, we've provided bonding for such monumental projects as the refurbishment of the Statue of Liberty, the Grand Coulee and Hoover dams, the largest highway contract ever — the $1.5 billion I-15 corridor in Utah and more recently, the skyway segment of the Oakland Bay bridge. Our relationships with ENR Top 400 companies rival any other company.

Value added services to meet specialized needs
Your clients can gain a deeper knowledge of trends and the market with the following complimentary resources:

- Peer review reports
- Gross profit margin trend and backlog utilization reports
- Contract review resources and risk mitigation seminars

In addition, your clients will have access to important information from riskcontrol.com:

- A contract review matrix
- Risk control white papers
- A comprehensive library of risk management tools specifically designed for the construction industry

Target markets you can tap
With Travelers, you can provide bonding and general services to the following classes of business that meet the desired customer profile:

- General contractors and construction managers
- Prime subcontractor trades, mechanical and electrical
- Road and bridge builders
- Paving contractors
- Utility, water and sewer line contractors

Desired customer profile:
- Experienced and reputable principals and key personnel
- History of profitable construction operations
- Consistent focus of work in a defined geographic territory
- Quality CPA financials and proven internal cost systems
- Financial strength developed and maintained through retention of corporate earnings
- Work program supported by corporate working capital and net worth
- Availability of secondary financial support
- Adequate return relative to exposure and expense
Travelers gives you the competitive advantage

Global reach, local approach
We have underwriters located in more than 50 offices nationwide as well as in Canada, London and Puerto Rico. With their local market knowledge and experience and our global reach, we can quickly deliver surety bonds you require where you need them — when you need them. And they’re supported by a team of specialists and claim personnel, all dedicated exclusively to the construction industry.

Industry knowledge edge
With years of experience and dedication to the surety business, our specialized construction underwriters have a deep knowledge of the industry and an ability to provide flexible, innovative solutions your customers need.

Strong, lasting relationships
We’ll bring to you and your clients the same technical expertise, innovation and responsiveness that has enabled us to build valued relationships in the marketplace.

Bond offerings include:
- Bid
- Performance and payment
- Release of lien
- License and permit
- Supply
- Miscellaneous

Travelers offers substantial capacity and solid financial strength
For more than 100 years, Travelers has been a leader in the surety industry. We have a combined Treasury listing of over $1.5 billion and A.M. Best* has assigned Travelers a financial strength rating of A++ (superior). Other top rating agencies have also consistently provided our primary underwriting company, Travelers Casualty and Surety Company of America, with high marks for financial strength.

Travelers knows Construction Surety.
Contact your Travelers representative to learn more or visit travelersbond.com.

* A.M. Best’s rating of A++ applies to certain insurance subsidiaries of Travelers that are members of the Travelers Insurance Companies pool; other subsidiaries are included in another rating pool or are separately rated.
