Jared Krechko
Senior Director, Data Analytics Engineering, Personal Insurance
Travelers

Jared graduated from WPI in 2005 with a major in Computer Science and a minor in Management Information Systems. After graduating, he joined Travelers in the IT Leadership Development Program (ITLDP) where he had rotations in Claim, Personal Insurance and the Innovation Office.

Upon graduating the program, Jared lead the Claim Analytic Implementation and Prototyping team, and Risk Control Business Intelligence Technology. He then took a leave of absence to thru hike the Appalachian Trail, returning to Travelers in 2016 in Personal Insurance Architecture.

He currently works in Personal Insurance R&D leading the Data Engineering and Emerging Technologies team.
