

## **Bio**

Ken Morrison has been with Travelers since January 2019, and is AVP, Cyber Risk Management for Bond and Specialty Insurance. He provides subject matter expertise on cyber threats, cyber security, and emerging cyber technology to underwriting, claims, and other teams across the Travelers enterprise, as well as to help Travelers insureds understand and mitigate cyber risks. He is a graduate of the U. S. Coast Guard Academy, where he served in afloat and ashore assignments, including narcotic interdiction. Ken's experiences in over 30 years of IT and cyber security include being an auditor and investigator for a health insurer, deputy incident response team manager for a defense contractor, and the Information Systems Security Officer and Computer Forensics Examiner for the FBI's New Haven Field Office.
